Department of
BIOMEDICAL ENGINEERING
COLLEGE OF ENGINEERING | THE UNIVERSITY OF UTAH

Ph.D. *Preliminary* Program of Study

The "*Preliminary* Program of Study" consists of a list of courses expected to be completed by the student in partial fulfillment of the Ph.D. degree requirements. This plan should be designed to provide general breadth within the field of biomedical Engineering and depth within the specific area of research specialization. The *Preliminary* Program of Study is intended to serve as a guide and will be referenced for the development of the PhD Written Comprehensive Exam. The Research Supervisory Committee and Department Director of Graduate Studies may approve course substitutions and changes as may be necessary for the "*Final* Program of Study" to be submitted during the semester the course work will be completed (other than Thesis Research) as outlined in this plan.

Full legal name_____ Date: _____
Last First Middle

Present address_____ UID #: _____
Street City State Zip

E-mail address *(U-Mail preferrred)* _____ Phone: _____

Department_____ Research Track: _____

Degree(s) previously received *(e.g. B.S. in Biomedical Engineering)*

Degree/Field _____ Institution: _____ Year: _____

Degree/Field _____ Institution: _____ Year: _____

Ph.D. degree is expected to be completed at the end of _____ Semester, Year: _____

Proposed dissertation title: _____

The *Preliminary* Program of Study as outlined has been approved by the Research Supervisory Committee:

Chair: _____ Signature _____ Date _____
(please print)

Member: _____ Signature _____ Date _____

Member: _____ Signature _____ Date _____

Member: _____ Signature _____ Date _____

Member: _____ Signature _____ Date _____

The *Preliminary* Program of Study as outlined has been approved by the Department Director of Graduate Studies:

Printed Name_____ Signature _____ Date _____

Please submit *original s*igned form to the
Department of Biomedical Engineering Graduate Academic Advisor
3100 SMBB *(Sorenson Molecular Biotechnology Bldg.)*

The Preliminary Program of Study is to be completed during the first or second year of study and must be submitted prior to the Ph.D. Qualifying Exams ~ consisting of the Written Comprehensive Exam and the Research Proposal

List *chronologically* the proposed course work required by the Universtiy, Department and Supervisory Committee to earn the Doctor of Philosophy (Ph.D) degree. Undergraduate level courses (<5000) and course work previously applied toward the awarding of another degree may not be used and should NOT be listed.

Transfer or Undergrad Institution	Semester Registered	Department and Course No.	Course Title	Core or Substitution	Semester Hours	Grade
UG* – U of XXXX	Fall 2009	BIOEN- XXXX	Example Course Title	LS - Substitution	3	A
